HOW TO ORDER COPIES OF COMMITTEE HEARINGS AND REPORTS

Copies of committee hearings and reports are available from the committee and from the Government Printing Office. The date of publication and the number of copies you would like generally determine which office you should contact in requesting a publication.

The following are guidelines for ordering copies of committee publications:

—Single copies of publications printed after January 1981 can be obtained from the committee.

—Any publication printed before January 1981 should be ordered from the Government Printing Office.

—If you would like more than one copy of a publication, they should be ordered from the Government Printing Office.

These guidelines are altered under the following circumstances:

*If the committee supply has been exhausted—as indicated by one asterisk—contact the Government Printing Office for a copy of the publication.

**If all supplies have been exhausted—as indicated by two asterisks—contact your local "Depository Library," which should have received a printed or microformed copy of the publication.

***If the Government Printing Office's supply has been exhausted—as indicated by three asterisks—a single copy may be obtained from the committee.

While a single copy of a publication is available, free of charge, from the committee, the Government Printing Office charges for publications. When ordering a publication from the Government Printing Office, give title of publication and attach a check or money order for the amount of purchase, made payable to: Government Printing Office.

In requesting printed copies of publications, please enclose a self-addressed label.
